

Avra Water Co-op, Inc. is seeking a team member in the Operations Department. AWC is a small growing company with large company benefits that include: PTO, medical, dental, STD/LTD, life insurance, and a retirement plan with employer match. This individual will be a self-starter, self-motivated, and willing to learn. The position of Water Distribution Operator will perform skilled, technical work in the installation, construction, operations, and maintenance of AWC's wells, water booster pumping, storage, and distribution system. They will also operate backhoes, end loaders, and other equipment as necessary. Reading water meters and performing various customer service related activities are also required. Our normal work schedule is Monday – Friday (hours vary by season) and on-call rotation is required. Candidates should have a minimum of the following requirements:

- high school diploma or GED
- experience in water distribution system operations (SCADA system experience is a plus)
- any combination of education and experience that provides the required knowledge and skills of an operator
- a valid, grade I, Arizona Water Distribution Operator's License is required or must have the ability to obtain within twelve months of hiring
- must live within 40 minutes of AWC's service area
- have a clean and valid Arizona driver's license
- have the ability to lift 50 pounds or more
- have the ability to work in extreme weather conditions

The hiring range is based on qualifications and experience. If you feel you meet the minimum hiring requirements, please submit your resume and a cover letter by August 6, 2021 to [sal@avrawater.com](mailto:sal@avrawater.com) or you can mail them to:
